# MongoDB Introduction video-1

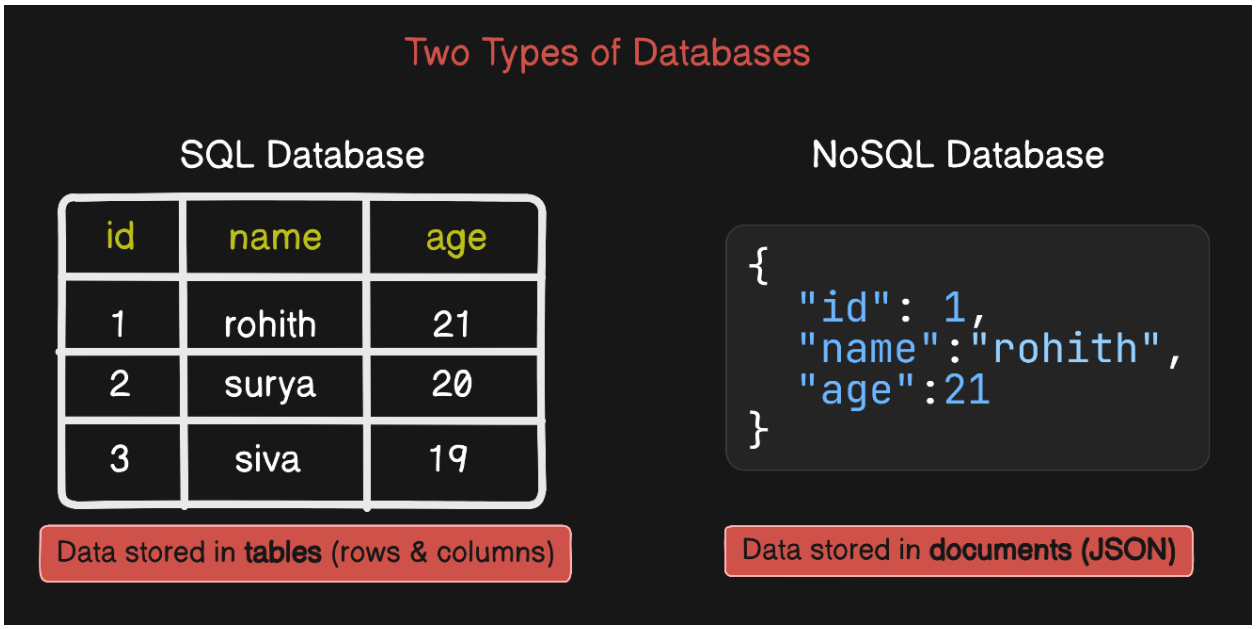

## Topics Covered

- What is a Database?
- Types of Databases (SQL vs NoSQL)
- Tables and Collections
- MongoDB Ecosystem Tools
- mongod (MongoDB Server)
- mongosh (Mongo Shell)
- MongoDB Compass
- MongoDB Atlas
- Development vs Deployment Flow
- MongoDB Document Structure

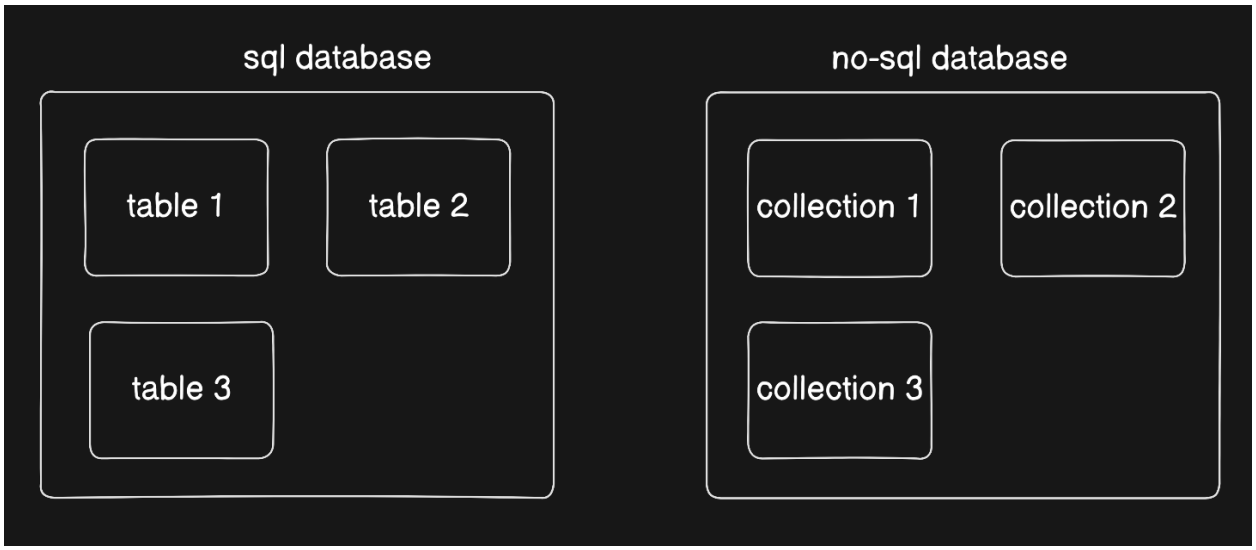

## What is a Database?

## Two Types of Databases

## Tables vs Collections

# MongoDB Ecosystem Tools

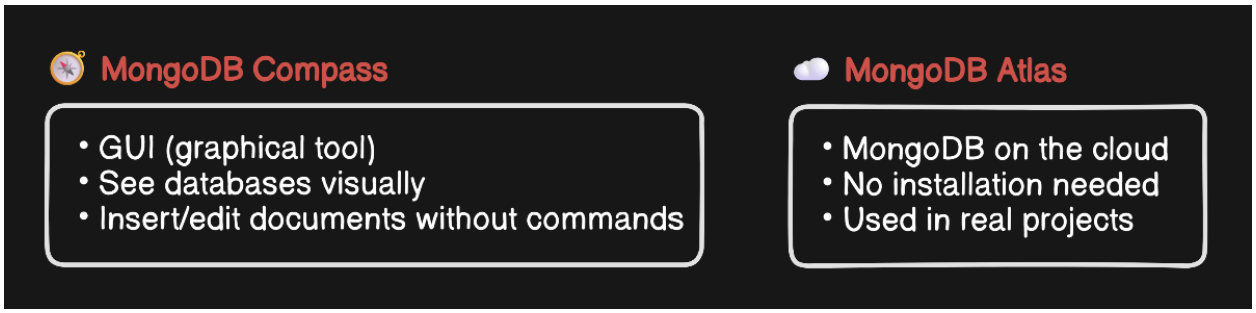

# mongod and mongosh

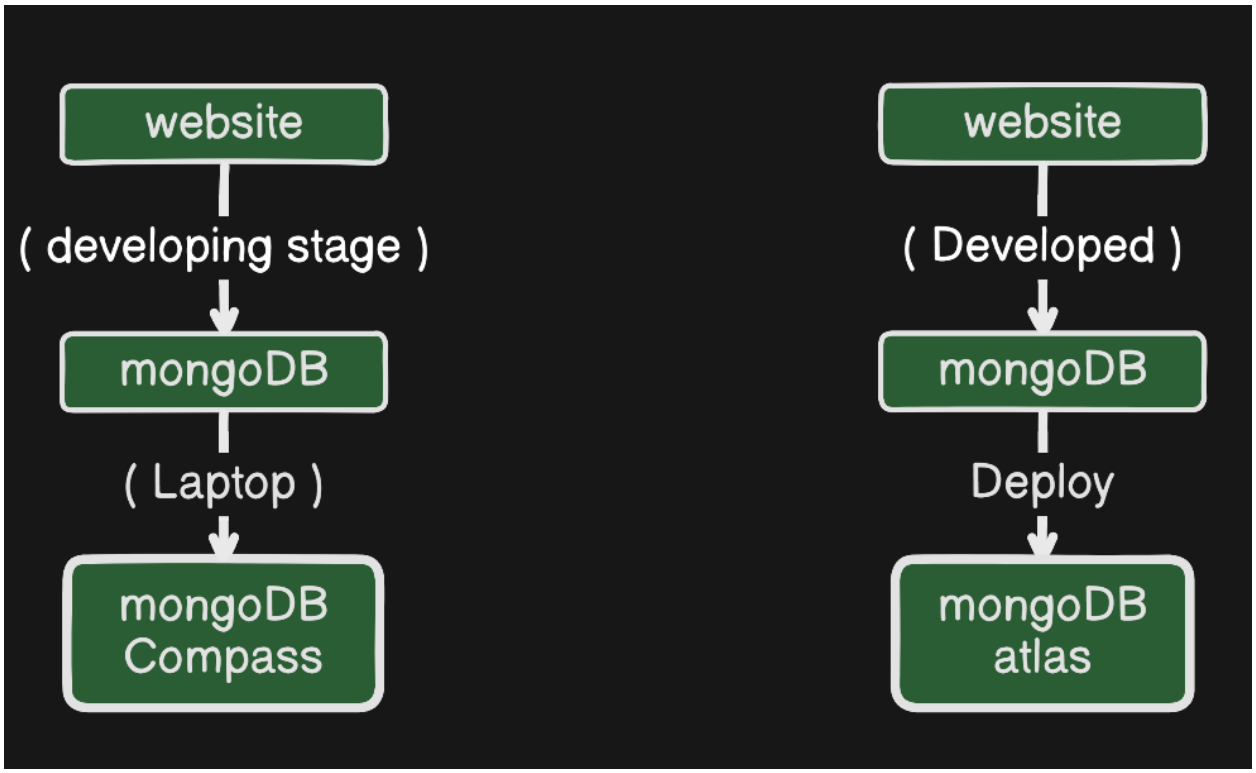

```
show dbs
use college
db.students.insertOne({name:"Rohith", age:20, course:"CSE"})
db.students.find()
```

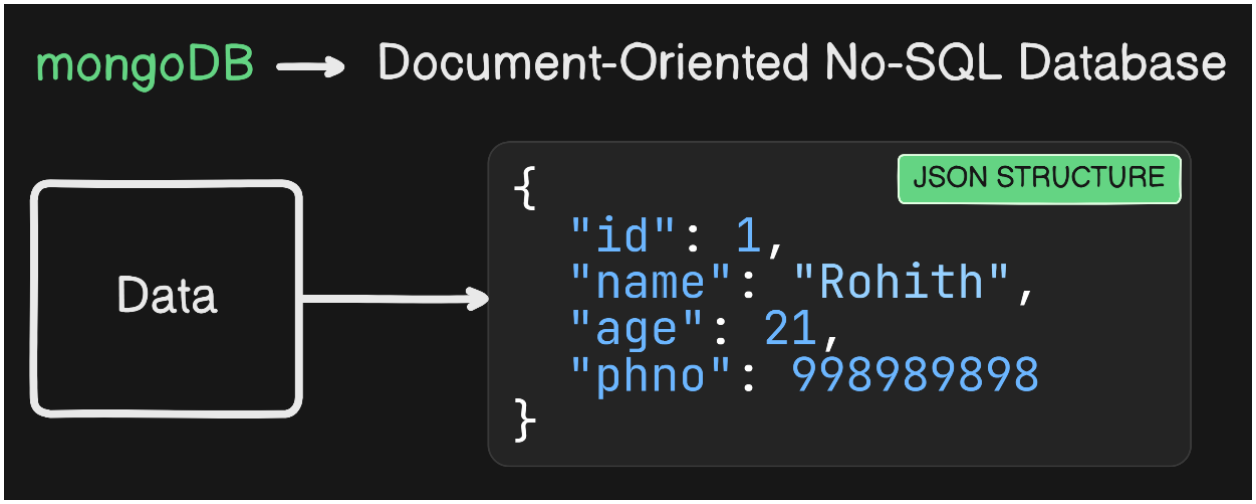

## MongoDB Compass & Atlas

## Development vs Deployment Flow

## MongoDB Document Structure

## Document

```
{
  "_id": 1,
  "name": "Rohith",
  "age": 21,
  "phno": 998989898
}
```
